## Times Tables Rock Star Day

Dear Parents/Carers

This year, we will be hosting another 'Times Tables Rock Star Day' to help enthuse and encourage children to learn their times tables as well as helping them understand the importance of this skill across the Maths curriculum. It will be held on **Friday 10<sup>th</sup> May 2024** and the pupils will be taking part in a variety of activities and games throughout the day linked to times tables and other areas of Maths.

We are asking pupils this year to dress up as a rock star. *A gentle reminder that no face paint, open toed shoes, football kits or inappropriate clothing is permitted as we still want the school to be a safe learning environment for all.*

**Prizes will be awarded to the best dressed from each class, as well as the best-dressed class in the school.**

We have had some fantastic costumes over the past few years and we are very excited to see what the children will come up with this year.

Thank you for your continued support.

Mr Phelan
