

LANGSTONE ACADEMIES

22nd April 2024

Dear Parents/ Carers,

Welcome to the summer term. We are hopeful that summer will make an appearance at some point! The summer term is always busy, with lots of trips and activities taking place that are not only fun but are there to enhance the learning opportunities for the children. Please see the events calendar for the term below.

Transition

In the second half of the summer term we are thinking about transition for all children moving to new classes, as well as welcoming in new children to our school in to Year R. This is an anxious time for the children as they face new classrooms, new adults, new buildings and new timetables. We work really hard to ensure that the move to the next year group is as seamless as possible for the children. It is therefore, incredibly important that children are in school every day for their learning and also so they don't miss any of the transition work that happens at this time.

During this term, Year 4 will take part in swimming lessons so please look out for the letters to share when your child will take part.
