Headteacher: Mrs Jane Bush

19<sup>th</sup> February 2024

Dear Parent/Carer,

This half term we have started our first Design Technology unit. So far we have learnt where food comes from as well as tips for food hygiene. At the end of this unit, the children will be creating their own pizza. They will be following a recipe for the dough before adding the toppings of their choice.

Each class will be creating and enjoying their pizza on the following dates:

**3SB – Monday 4<sup>th</sup> March**

**3BW – Tuesday 5<sup>th</sup> March**

**3TW – Wednesday 8<sup>th</sup> March**

We will be supplying all the ingredients needed for the base, along with the cheese and marinara sauce. We ask that you supply your child with any additional toppings they would like for their pizzas. **(Please remember that we are a nut free school)** Please can they be brought in on their designated baking day in a labelled container. We have been learning how to chop safely using a knife so we are more than happy to cut up these toppings with them at school. Examples of toppings we have discussed so far include: peppers, sweetcorn, onions and mushrooms. We do, however, ask that no raw meats are brought in as we do not have the capability to store these safely.

If you have any questions, please email your child's class teacher.

With kind regards,

Holly Thompson  
Year 3 Teacher
