Dear Parent/Carer,

We have been continuing our DT unit this half term around pizzas. Over the next couple of weeks, we will be making and enjoying them. For the pizza making, as previously mentioned, we will be supplying all the ingredients needed for the base, along with the cheese and marinara sauce. We ask that you supply your child with any additional toppings they would like for their pizzas.

Earlier this week, your child would have brought home a paper copy of their initial preferences for their toppings. Please discuss these options with your child before together making a final decision. Of course this may mean changes to their initial ideas.

Once you have both decided on any additional toppings, please could it be possible to bring it in for the following baking dates:

**3SB – 4<sup>th</sup> March**

**3BW – 5<sup>th</sup> March**

**3TW – 8<sup>th</sup> March**

Please can any ingredients be brought in on their designated baking day in a labelled container. We have been learning how to chop safely using a knife so we are more than happy to cut up these toppings with them at school. Examples of toppings we have discussed so far include: peppers, sweetcorn, onions and mushrooms. We do, however, ask that no raw meats are brought in as we do not have the capability to store these safely.

If you have any questions, please email your child's class teacher.

With kind regards,

Holly Thompson
