Request for boxes

Dear Parents/Carers,

After half term, we will be starting our next DT unit which will involve creating our own moving monster toy using pneumatics.

For the final outcome, each child will need their own small, **hinged box**. This could range from a shoe box to an egg box as are in the examples below:

The lid needs to be attached on one side as this will be the mouth of the moving monster toy.

Please write your child's name and class on the bottom of the box and send in with them. Any extra boxes are welcome too for spares.

Thank you for your continued support.
