Friday 13th October 2023

Dear parent/carers,

I am writing to you today to gauge interest about a potential upcoming trip we would like to take the children on. I would like to relaunch the year 4 residential trip, which would be one night away at the Sustainability centre on the outskirts of Petersfield. It would involve learning bushcraft and survival skills and fun forest activities. For more information, you can look on their website but final activities will not be chosen until a later date:

<https://www.sustainability-centre.org/>

This trip would take place in February 2024 and would cost between £90 - £100 per child. It is a fully optional trip but before I can arrange it I will need to find out numbers of parents who would be able to commit to this and be interested in their children going.

[How to give interest online via your Scopay Account](#)

- Go to Trips/Events
- Find 'YR4 Residential Trip' and complete the form.

Unfortunately, if there is not enough interest, we will not be able to continue with our booking.

Sincerely,

Josh Phelan

Year 4 leader
