6th November 2023

Dear Parents/Carers,

Recently, a survey was sent out to ask for interest in a year 4 residential trip taking place later on in the school year. We are pleased to announce that there was a very positive response and we are going to go ahead with the trip.

The residential trip will be to the Sustainability Centre in East Meon. There will be two separate trips for one night from the 1st to 2nd of February and the 5th to 6th of February.

The children will have the opportunity to take part in a variety of activities including team building activities and bushcraft. We will give further details about the exact activities closer to the time, as well as a kit list for all the things your child will need.

If you are interested for your child to take part in this opportunity, you will need to consent on Scopay. Please ensure that you consent to your child attending the trip using SCOPAY by the **1st of December** and pay **£30 deposit** to secure your child's place. There will be a maximum of **70 spaces**, so they will be given on a first come, first serve basis.

Please know that we are still waiting for an exact cost of the trip, but the total will be in the region of approx **£100 per child**. This will include all meals, the daytime and evening activities, accommodations and travel to and from the centre. You will be able to make full payment via scopay when the final cost is confirmed.

If you have any questions about the visit, please contact any member of the year 4 team.

Yours sincerely,

Mr Phelan

Mrs O'Donnell

Mr Lawrence
