Friday 10<sup>th</sup> May 2024

Dear Parents/Carers,

As you are aware, the children will sit their Multiplication Tables Check **after half term**. The aim of this is to check how accurately and fluently the children are able to recall their times tables up to 12x12. The test will ask them 25 questions that they should be able to answer within **6 seconds per question**, which is already their current expectation on Times Tables Rock Stars.

They have been practising hard all year to prepare for this upcoming test. To help them feel more confident and secure for this, we have given each child a set of times table practise flashcards, which include some of the questions most likely to be asked during the check. Please help your child to practise these over the next few weeks.

We also have access to Times Table Rockstars. This can be used as an app or on <https://trockstars.com/>. We recommend children complete the sessions set to them by their teacher each week.

Please also find attached the Government guidance for parents which explains what happens during the test and why it is administered.

Thank you for your continued support,  
Year 4 Team.
