Dear Parent/Carer

As part of our first Design Technology unit which focuses on seasonal food, our children will be trying a variety of different fruits tomorrow, Tuesday October 3<sup>rd</sup>.

The fruits your child will be encouraged to try are; apples, pears, peaches plums and blackberries.

The children will taste a sample of each fruit before reviewing each one for its taste, look and general appeal. This will help the children design their very own seasonal crumble which they will have the opportunity to prepare before taking it home to bake in a few weeks' time!

If there is any reason that your child may not be able to take part in the tasting session, please let the school office know as soon as possible by email – [office@langstone-jun.portsmouth.sch.uk](mailto:office@langstone-jun.portsmouth.sch.uk)

With kind regards,

Danny Shaw
