13.10.2023

Dear Parent/Carer,

As you know, we have been exploring seasonal food in our first Design Technology unit of Year 5.

Our children have tried a variety of different fruits and have planned their very own crumble based on a refined recipe.

We will be creating their crumble on Monday 16th of October and will provide all the ingredients needed to make the crumble except for the fruit your child has chosen for their dish. We ask that you supply your child with their fruit in a labelled container on Monday 16th of October. The seasonal fruits we have explored are apples, pears, peaches, plums and blackberries and your child will be expected to choose one of these. These can be either fresh or tinned.

The children will be creating their crumble in a foil food tray which they will then take home to bake! They will then be asked to review and reflect on their crumble on Thursday 19th of October.

If you have any questions, please email myself or your child's class teacher.

With kind regards,

Danny Shaw
Year 5 Teacher
