Headteacher: Mrs Jane Bush

22.1.24

Dear Parents/Carers,

In Year 6 this half term, we are going to be exploring, designing and baking scones as part of our Design Technology unit.

As part of our sequence of learning, we will be tasting different types of scone such as fruit, cheese and potato. **In order for your child to take part in this lesson, we need your permission which needs to be given via SCOPAY. We cannot accept verbal permissions.**

PLEASE ENSURE THAT ANY ALLERGIES ARE CLEARLY WRITTEN IN THE NOTES BOX.

As a school, we will be providing the basic ingredients for scones to enable children to create the basic recipe. Once groups have adapted this to create their own recipe, they will know what their additional ingredients will be. We will be able to let you know more information nearer the time.

Any additional ingredients must be in a sealed and labelled container and remains the sole responsibility of your child. They must not share with other children for safety reasons.

Please ensure that permissions are given via SCOPAY by Friday 26th January 2024 - 3pm.

If you have any questions or concerns, please do not hesitate to contact your child's class teacher via email.

Best wishes

Year 6 team
