15<sup>th</sup> March 2024

Dear Parents/Carers

DT – Additional Scone Ingredients.

Within our DT unit, year 6 have been learning about how to make scones and to adapt recipes. During the week beginning 25<sup>th</sup> March, the children will have the opportunity to make their very own scones.

Langstone Junior Academy will provide the ingredients to make the basic scone recipe but we kindly ask that you provide any additional ingredients. These could include dried fruits, chocolate chips or cheese! We ask that your child brings in a Tupperware container to bring their scones back home. Your child will inform you on which ingredients they have planned to use within their recipe and the quantity needed. This will only be a small amount as they are making two scones each. Any raw ingredients must be cooked before bringing into school. Please ensure that all ingredients/containers are named and labelled with your child's class.

We ask that all ingredients/containers are brought in on Monday 25<sup>th</sup> ready for the week.

As we are a nut-free school, please do not provide anything containing nuts.

Thank you for your continued support.

Year 6 Team
