Dear Parents/Carers

Easter Homework

As we come to the end of another term, we just wanted to share how proud we are of all the hard work we have seen so far. This was definitely showcased in the most previous assessments and we are so excited to see what our pupils do next.

Coming up, we have a longer two-week holiday and we are aware with a long break can come the loss of learning. Therefore, we will be providing pupils with some homework booklets with some short revision tasks to complete over the weekdays (weekends off as normal!) to support them with retaining what they have learned so far this year. We would hate for all this hard work to be lost!

You will also find the answer booklets attached to this parent mail so that you can check your child's work if you wish to do so. There are three different Maths booklets. Please check the front page to see which booklet your child has to find the correct answer booklet.

The homework is optional; however, for every child who completes all of the homework booklets and brings them in on time, we will be providing a treat afternoon where they will be invited to a film afternoon. The class which returns the most completed homework will be able to choose the film from a list of options. All other children will continue with lessons as planned.

Homework is due in on Tuesday 16th April.

Thank you for your continued support.

Year 6 Team
