Dear Parents/Carers,

## YEAR 6 RELATIONSHIP & SEX EDUCATION

After the half term holidays, the Year 6 children will be receiving a unit on relationships and sex education. The lessons are compulsory under government guidance and will be delivered by the class teachers.

There will be some time spent in discussions and watching short videos. We will be covering different types of relationships and respect before covering how babies are made and how they are born. This is taught with a scientific approach. The children will be encouraged to ask questions about what they have seen and discussed, either as a whole class or by putting their questions into a worry box. Your child may come home with some additional questions; please discuss these with them.

If you have any questions, please contact a member of the Year 6 Team or Mrs Bush.

Thank you for your support.

Yours sincerely
